Frequently Asked Questions

What should I do if my child loses or breaks their eye glasses?

Contact the store or office where your child last got their eye glasses.

What should I do if my child's insurance doesn't cover eye glasses and I can't afford to buy them for my child?

Contact the health manager or school nurse at your child's school for programs that can help.

How often should my child see the eye doctor?

This is different for each child. Ask your child's eye doctor how often to schedule appointments.

Will my child grow out of needing eye glasses?

This is different for each child. Ask your child's eye doctor.

Will my other children need eye glasses too?

Vision problems are common in children. Check with your child's eye doctor.
